Class of '99,

The following provides a brief summary of class business.

BOARD MEETING MINUTES

The executive committee (elected board) has convened two more times (04NOV18 and 25NOV18) since our last email correspondence. You can review the [meeting minutes](#) on our class website.

CLASS REUNION

The board conducted a class survey (full results shown in attached graphic) regarding the preferred time frame for our class reunion. The majority of survey participants voted for option D) "Wait to reserve an outside tailgate for SEPT, OCT, or NOV pending final home game dates, which are scheduled for publication in FEB 2019. Board to provide a follow on survey for classmates to vote on preferred weekend at that time."

A follow up survey will be conducted in February once the final football schedule is released to select our 20-year reunion weekend date!

JB and Carmen welcome volunteers to join the 20-Year Reunion Committee. If you are interested in helping with the reunion planning and execution, please sign up [here](#).

Thank you to our classmates who have already volunteered!

BYLAWS

Bylaws were discussed among the board during the Nov. 25 meeting. The next step is the board has shared the [DRAFT bylaws](#) on the class website for a 30-day comment period, which will close at 1600 PST on Jan. 11, 2019. THIS IS NOT A VOTE. However, the board would like to solicit your input. Your insights will help the board catch any gaps, oversights, etc. and provide a sense of class preferences regarding the internal operations of class business. The board will review and consider the comments provided, then make the final decision on the bylaws.
